

Sioux Lookout Skating Club

(June 2025)

The Sioux Lookout Skating Club has proudly been part of the community for over 60 years and has been affiliated with Skate Canada since 1973. We take great pride in the variety and quality of programs we offer to our members.

As a volunteer-driven organization, we depend on the support and involvement of parents and guardians throughout the season. From fundraisers and special events to day-to-day operations, our volunteers are essential to the success of the club.

A significant portion of this support comes from our Executive and Board of Directors, who dedicate their time and effort each month to ensure the smooth and effective running of the club.

Club Description:

The Sioux Lookout Skating Club is a member of Skate Canada proudly teaching Canskate (Learn to Skate), CanPowerSkate, Adult Skate and StarSkate (Figure Skating) in our community for over 50 years.

As a not for profit corporation, our club administration and operations, with the exception of certified professional coaches, are carried out by parent volunteers and overseen by a Board of Directors composed of volunteers.

Vision:

To give our skaters the opportunity to skate to their potential.

Mission:

To provide a safe, healthy, fun environment that supports skaters of all abilities in realizing their skating goals through quality coaching, facilities, programming and leadership.
