

Benefits of joining a team or club:

Joining a team or club provides children with a welcoming space to connect with others who share similar interests, often sparking lifelong friendships. Many activities encourage teamwork, as children work together toward a shared goal—whether it's winning a game or completing a community service project—helping them develop cooperation, communication, and collaboration skills

for Kids

What is ProKids?

ProKids offers financial assistance to help children and youth participate in the sport or recreational activity of their choice.

The program connects young people with activities available in their community, giving them opportunities to build new skills, teamwork, cooperation, and self-confidence. Each experience helps youth grow into positive, contributing members of the community.

ProKids is committed to making recreation accessible for children and youth up to 18 years old.

Program Packages

Who is eligible?
